

AFC Woodham Superstrikers:

"Providing a quality introduction to football"

AFC Woodham are proud to announce our exciting new footballing scheme, aimed at children aged 4 and 5 years old. Our aims are to provide your child with the best possible entry into football, with experienced coaches giving your child the chance to develop their skills in a friendly, safe environment.

All coaching sessions are fronted by experienced and CRB checked coaches, with sessions aimed at being fun, but at the same time teaching your child the basics in football, gently progressing as they get older. We also aim to coach your child in smaller groups, allowing them to learn more and develop their skills.

Coaching will be fronted by both Scott Jones and Chris Firminger. Scott, a former Crystal Palace player has a wealth of experience at all levels of football, including 2 years coaching mini soccer, forming a successful partnership with Chris.

Chris also has an impressive footballing background spanning over 20 years coaching & managing men's teams and mini soccer teams. Chris has been heavily involved in children's football for 4 years with mini soccer, youth soccer and introducing children to football working with Colchester United FC.

We can provide for your child top class training facilities at both our private and exclusive training venues. Both Meadowbank Park and Woodside Training Centre provide a perfect base for children to enjoy their sessions. Both are enclosed and provide off road parking, offering good quality playing surfaces. Meadowbank Park is the home ground of **AFC Woodham** & is situated next door to Meadowcroft Garden Centre, boasting generous parking, and use of the in house Café at Meadowcroft. Woodside Training Centre situated opposite is a purpose built training facility offering a top class, fully equipped training facility with an immaculate playing surface, floodlights and 2 mini pitches.
